

Analyses & Visualization Report

The following analyses were conducted on 2097 dogs' ratings tweets from WeRateDogs, which is a Twitter account that rates people's dogs with a humorous comment about the dog.

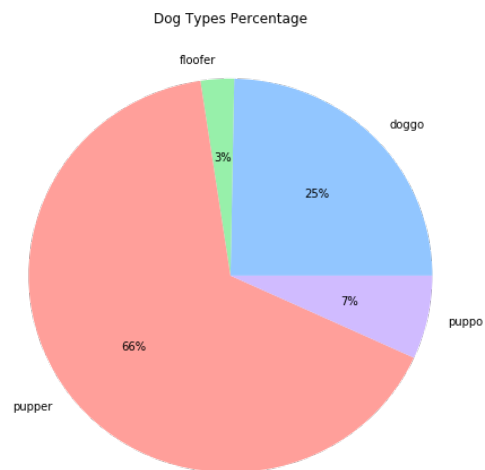

Average Rating By Type

The dog type that received the highest average rating is puppo followed by floofer and doggo, and finally pupper with the lowest average rating.

Percentage of Dogs By Type

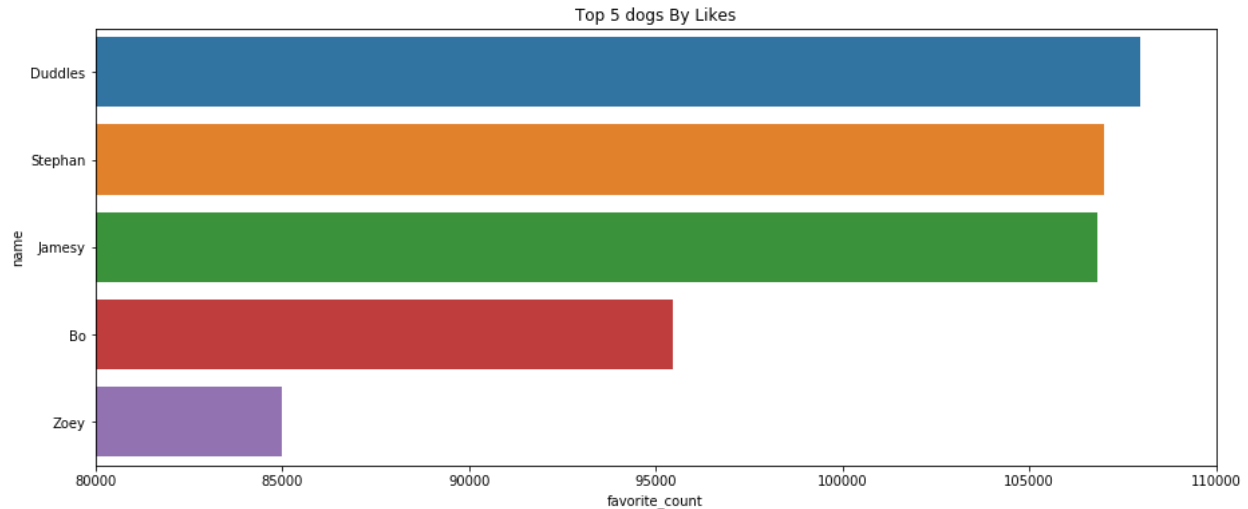

1761 out of all dogs in the dataset are unlabeled in terms of dog type (Puppo, Floofer, Doggo, Pupper), 66% out of the other 336 are puppers, 25% doggos, 7% puppos and only 3% floofers.

Top 5 Dogs By Likes Count

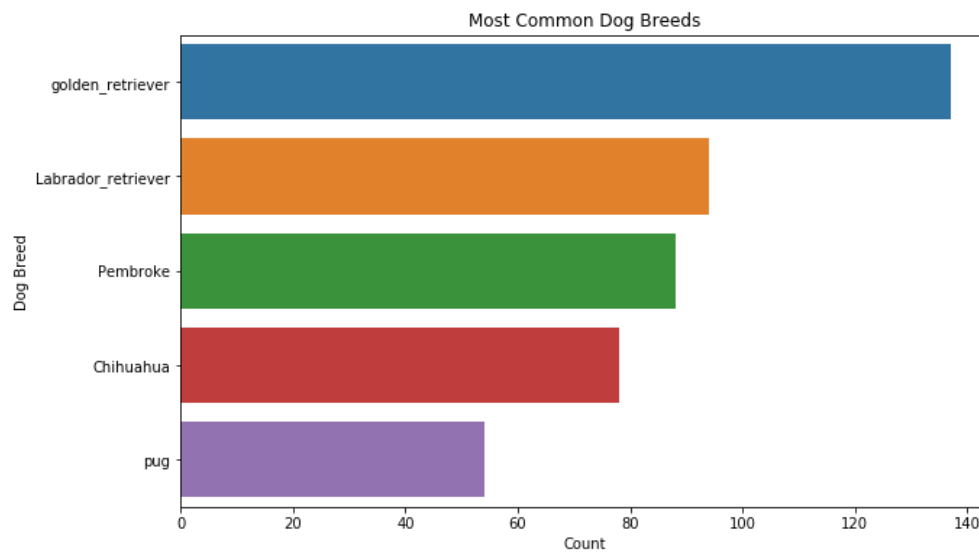

The top 5 dogs that got the highest number of likes are :

- Duddles (107,956 likes)
- Stephan (107,015 likes)
- Jamesy (106,827 likes)
- Bo (95,450 likes)
- Zoey (85,011 likes)

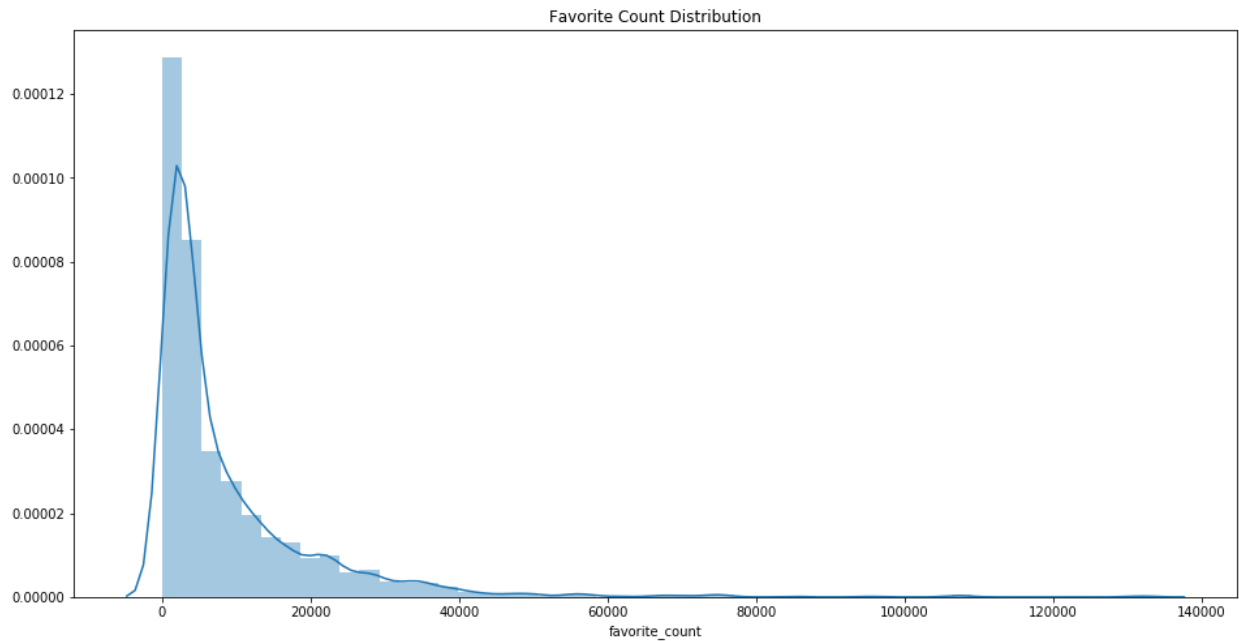

Most Common Dog Breeds

Golden Retriever is the most common dog breed with 137 ratings, followed by Labrador Retriever with 94 rating, then Pembroke with 88 ratings, and then Chihuahua with 78 rating, and finally the fifth most common dog breed is Pug with 54 ratings.

Likes Count Distribution

Most of the tweets (75%) got a like count between 0 and 11416. The average like count is 8980.

Retweet Count Distribution

The retweet count has a similar distribution to like count, but here the distribution is tighter, on average, tweets get 3 times more likes than retweets. Most of the tweets (75%) got a retweet count between 0 and 3285, and the average retweet count is 2841.
